Subject: RE: Google's Requests for Production and Interrogatories - Inform, Inc. v. Google LLC, et. al, No. 1:23-cv-01530

Hi Serina,

Rob forwarded me the below email. Google consents to the requested one-week extension for Inform to provide its responses and objections to Google's First Set of Interrogatories and Requests for Production by September 29, 2023, provided that Inform also agrees not to use the granting of this extension against Google in any way. Additionally, given the extra time, we expect that Inform will provide substantive responses to Google's Interrogatories.

Thank you,
Jeanette

Good afternoon Rob and Justina. I hope you're both well.

Plaintiff Inform would like to request an additional week to respond to Google's First Set of Interrogatories and Requests for Production.

Kindly advise whether you are amenable to our request.

Thank you in advance,
Serina
